TYPING AND DUPLICATION:

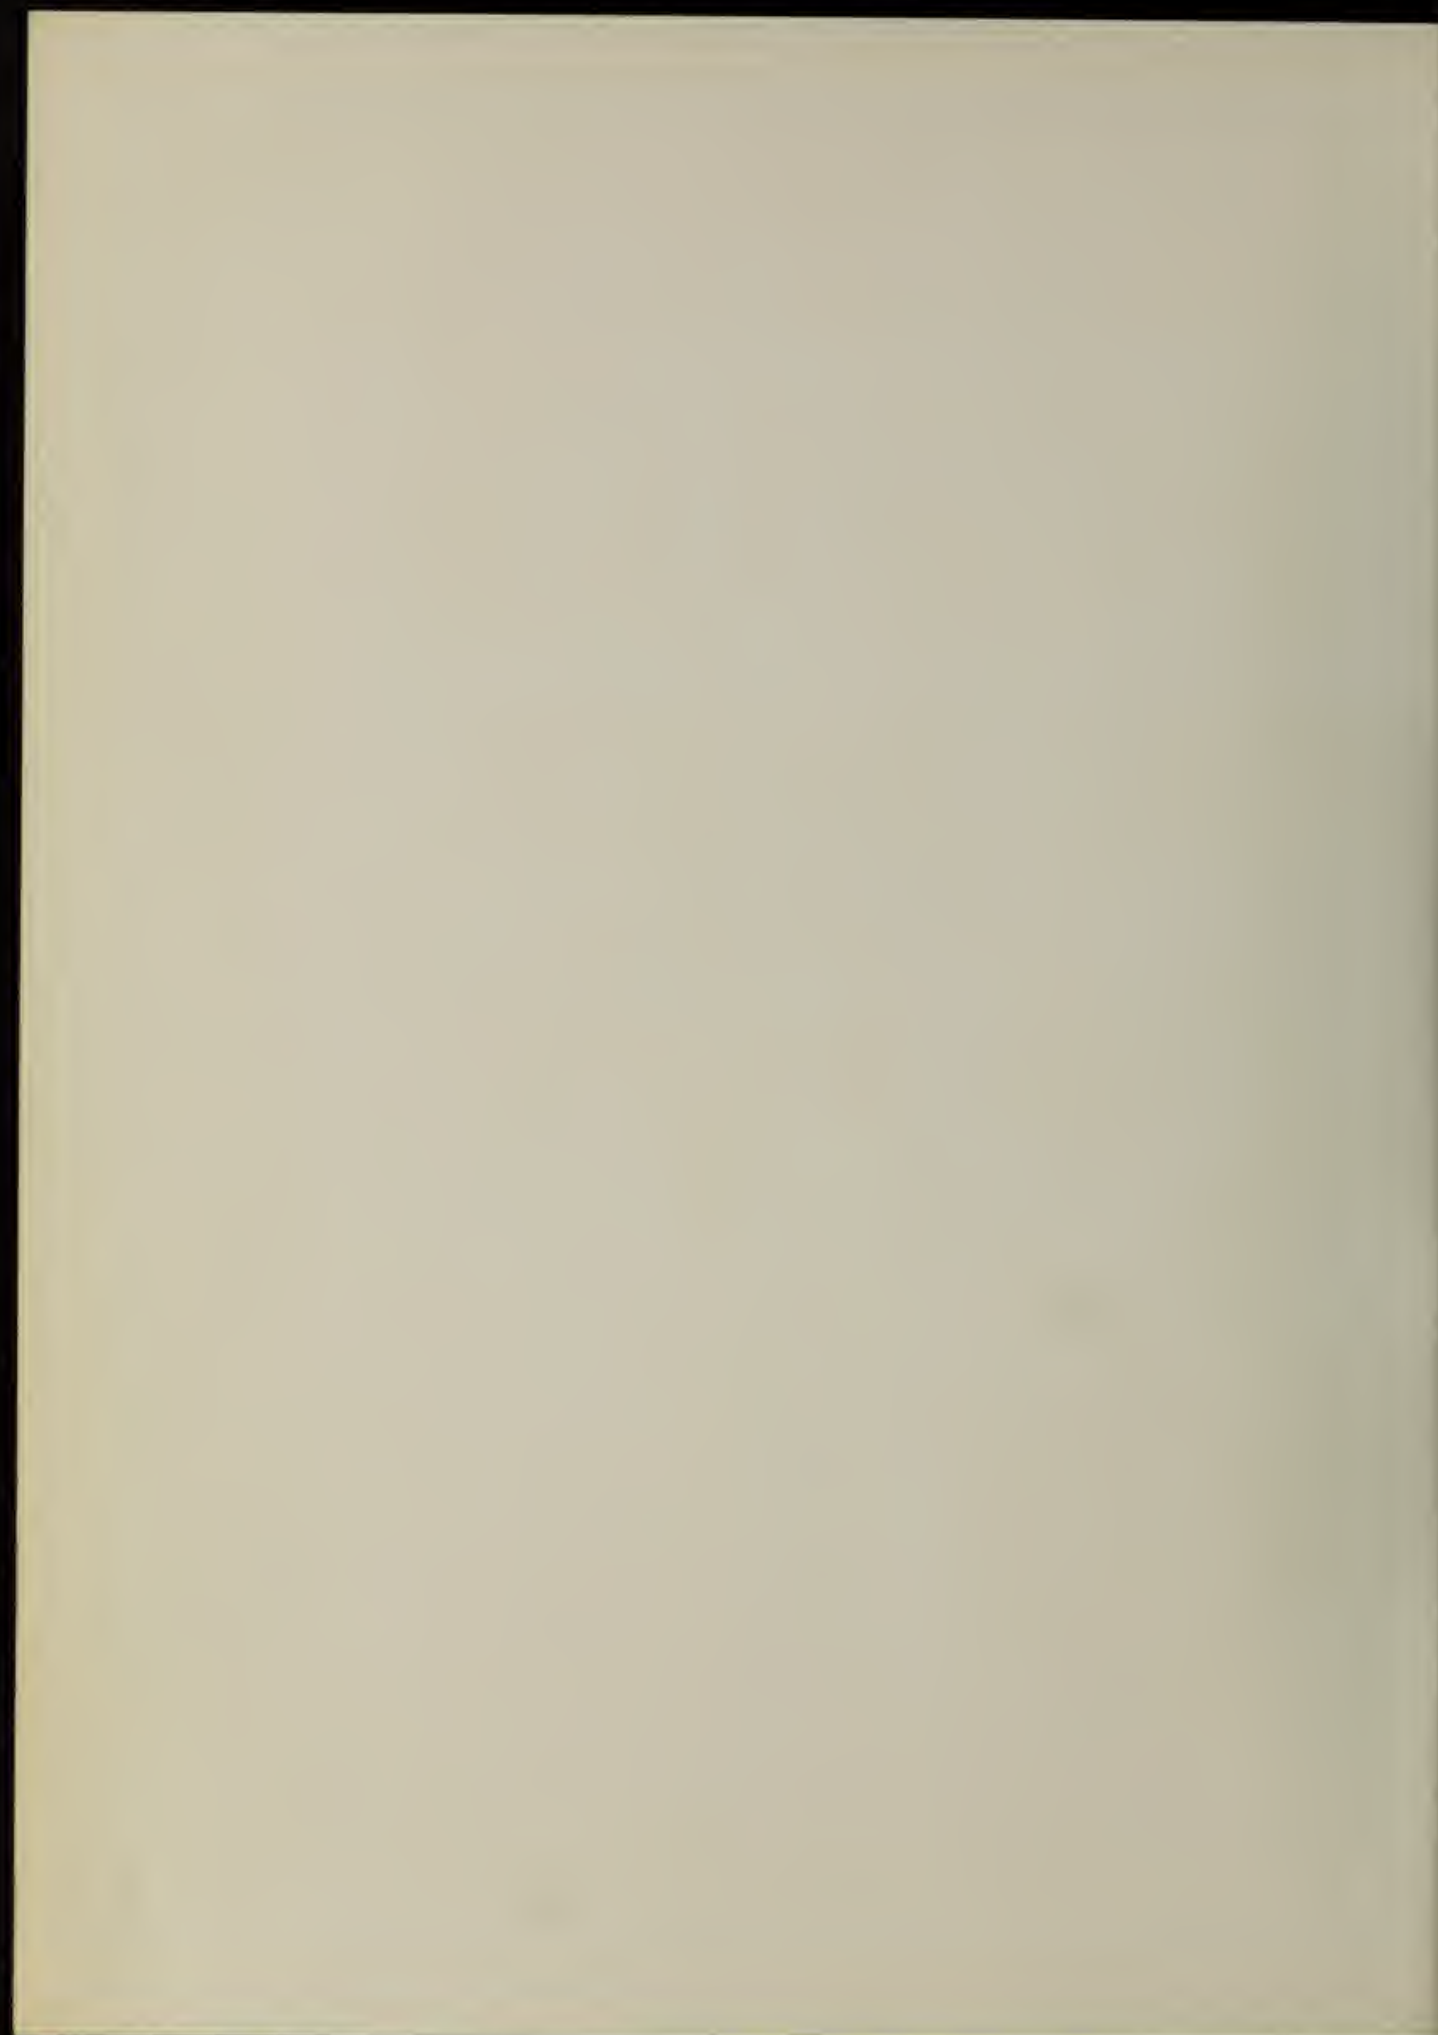

Miss Hegarty

The Class of 1978 would like to extend their appreciation to Mr. Kenneth L. Johnson and Mr. Norman L. MacDonald for their assistance with our graduation activities.

With interlocking pieces  
We join to form the whole;  
Each with our uniqueness,  
Each with our own goal.

One cannot be copied,  
A twin we'll never meet.  
This individuality  
Has made our class complete.

So point us toward tomorrow  
You've helped us reach today.  
Take apart the pieces  
And we'll be on our way.

## Dedication

### Joseph L. King

With deep felt admiration and respect, we the class of 1978 proudly dedicate this edition of the Timaron to our assistant principal Mr. Joseph L. King. Thank you seems hardly adequate to say to a man who has given his life to the growth of the young adult. His continuous support and genuine interest in all our activities have been greatly appreciated by all of us. Thank you Mr. King for 25 years of dedicated service.

## MHS Welcomes Rafael Vargas Exchange Student

A Middleboro Christmas for a Mexican friend.

It was in February 1977 that I first thought about coming to the United States. The International Rotary Club made this experience possible.

When I arrived in the States on September 10, 1977 I remember exactly how I felt. I didn't speak any English and didn't know what to expect. Mr. Walter Schmidt and his family picked me up at Logan and brought me to my new home. I'm living with them now; they are very nice people. Four days later I began my school year at MHS where I found a lot of friendly people and made a lot of good friends. All these friends have helped me adjust to this system

and I am grateful to them.

In Mexico we eat a small breakfast, go off to school or work, then go home and eat dinner between 2:00 and 3:00. Our meal at night is a small one.

I didn't have any problems adjusting to the American system. I was on the Soccer team, where I found excellent friends and had unforgettable experiences. I really enjoyed playing on the Soccer team. I hope to try out for the Tennis team this spring.

During the year, I have travelled. I have visited New York City, New Jersey, Boston, Plymouth, Cape Cod and other places in Massachusetts. I want to go to other areas in the States. The students in the exchange program had weekends which we spent at different places. It provided an opportunity to meet students from different countries.

My visit here was an excellent learning experience. I know I will never forget this year and all the nice people I have met. So I say thank you to all my friends, my teachers and all the people I have met.

A todos mis amigos, profesores y gento gue conosi les doy las gracias por todo. y les deseo la mejor suerte del mundo.

con cariño Rafael

# Ann Kilpatrick, '78, Exchange Student to Sweden This Year

To My Classmates at MHS,

We have had a lot of good times together and some that weren't so good, but I think we will always remember the friends we made.

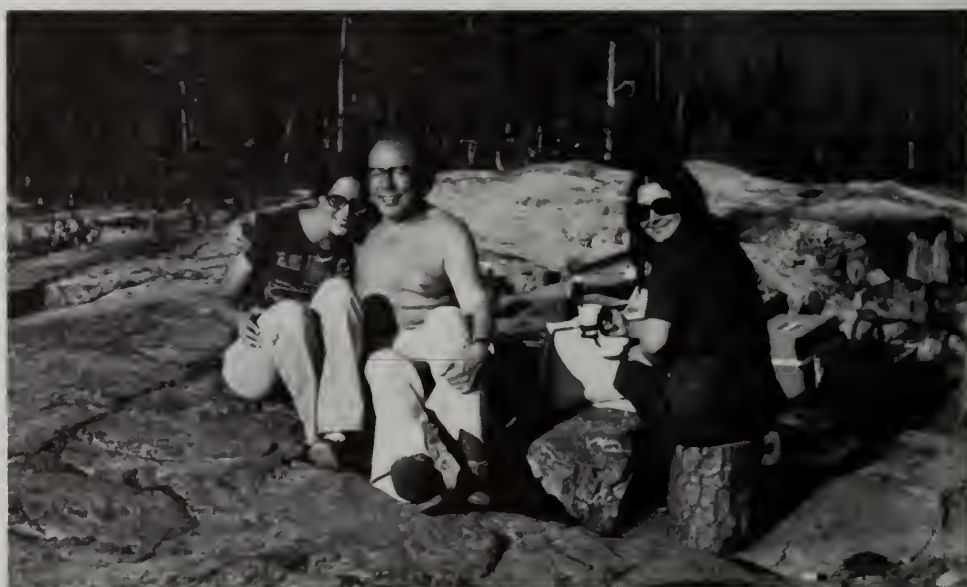

Older, maybe wiser, people have said that these are the best years of our lives; and though we grumble and complain about the teachers, the administration and the amount of homework, I think that all of us, deep down inside, do realize that when we receive our diplomas and walk down the halls of MHS as students for the last time, that the years we spent there were not as bad as we thought.

I just wish all of you could experience what I am experiencing. It's true what they say — "You never know how good it is, till it's gone." I'm just beginning to realize how good were my three years at MHS, with you, my friends and classmates. Although I am far from Middleboro, I still feel very much a part of the Class of 1978 — the best class ever to graduate from MHS!

**Above:** Rita, Laci, Susanna and I at the airport right after I arrived at Lulia.

**Lower Right:** Mr. and Mrs. Bonivart (my hosts) and I at Storforsen.

## Messages to the Seniors

Seniors:

Please consider this poem by Joseph Norris, reflective of a philosophy which may enrich your lives.

"Drop a pebble in the water,  
And its ripples reach out far;  
And the sunbeams dancing on them  
May reflect them to a star.

"Give a smile to someone passing  
Thereby making his morning glad;  
It may greet you in the evening  
When your own heart may be sad.

"Do a deed of simple kindness;  
Though its end you may not see,  
It may reach, like widening ripples,  
Down a long eternity."

Very truly yours,

**Lincoln D. Lynch, D.Ed.**

Superintendent of Schools

Seniors:

"Pure air is perfectly dark. It is only the impurities abounding in the air which give us, by their reflection, the glorious light."

— Wiggins Almanack, circa 19th Century

Thus, magnitude by brilliance, size without.  
Exude but a scintilla, still  
Observe variegated lustre.  
As the speck, so reflect your light,  
Consider not as impure pall but as  
Timely vestige of true resource,  
You are the vexillary of hope.

The band members of the class of '78 dedicate the music section of this yearbook to Mr. Richard Nelson. This is Mr. Nelson's twentieth year of teaching music in Middleboro. In his first year Mr. Nelson assisted with the beginner's band, the junior and senior high school bands and orchestras, A Capella Choir, Men's Glee Club and elementary music programs. At that time the music staff consisted of three people; it now has ten people. Mr. Nelson feels the expansion of the music program is due to public support and student interest. These factors have accounted for the incorporating of Piano Keyboard, Men's Glee Club and a Freshman Choir. This has also allowed the Band and Orchestra to meet five times a week instead of three.

Because of the size of the Music Department, Mr. Nelson now concentrates primarily on band activities. Over the past twenty years the biggest change in the music program has been in the marching band. In the past seven years the band has recovered from double sessions to the extent that an experience on the marching field with any area band increases pride and the air of accomplishment in our own band. This could not have been done without the constant effort and attention of Mr. Nelson. We thank you!

Mr. Richard Nelson

For each one of us, life is a puzzle,  
 containing so many pieces.  
 Yet as we travel our separate ways  
 on the road of life  
 Within us there shall be music;  
 In times of despair,  
 In moments of glory.

Music is so much a part of us  
 for it binds us together in harmony  
 Just as singing songs sung before  
 Brings back cherished memories  
 Which were shared.

The MHS Sachem Varsity team ended its season with a winning record of 6-4 this year. This was due mainly to the Seniors on the squad who showed excellent leadership and the response of the underclassmen. After seven games, the team record was a dismal 3-4. Strong team leadership resulted in resounding victories against Duxbury, Apponoquet and East Bridgewater; with these three wins, the season was a winning one.

Butch Callan and Mike Ekstrom were chosen by their teammates as the Most Valuable Players on the '77 squad. Mike Ekstrom was chosen by the Middleboro Gazette as the MVP of the Thanksgiving Day Game. Butch Callan won the Standard Times Spotlight Player of the Year Award. Both Callan and Ekstrom were named to the all star teams of the Taunton Daily Gazette and the South Shore League. Named to the Standard Times Suburban All Star Team were Butch Callan, Mike Ekstrom, Jim Marra, Dave Fisher and Brendon Murphy. Ekstrom was also honored with the Callan Award. Leading scorer Butch Callan gained 1550 yards this season, compiling a HS career total of over 3000 yards.

According to Coach Callahan, the tri-captains are to be congratulated for the excellent job they did this year. Congratulations and best wishes to next year's tri-captains Bill Bradbury, Dave Fisher and Glenn MacNayr.

In the best MHS Soccer season in the sport's history in the school, the team finished with a record of 3 wins, 6 losses and 2 ties. The team managed to keep most of the games, even the losses, exciting. The improvement in the team has been attributed to the dynamic coaching of Eliot Blumberg and the enthusiastic response of the team. Special congratulations to Jim Peters who was selected to the All Scholastic team of the Brockton Enterprise, to MVP David Taylor and to All-League Selections Jim Peters, David Oakley and David Taylor.

## CROSS COUNTRY

Coach J. Majuri. **1st Row:** S. Bradley, P. Cadorette, M. Heeks, S. Mills, R. Broullard, Capt. W. Maxim, Capt. R. Donovan, M. Parent, R. Sylvia. **2nd Row:** T. Varney, G. Clark, I. Bigford, G. Bigelow, A. Smith, R. Nunes.

The M.H.S. Cross Country Squad produced another successful season, earning its fifth consecutive League Championship, its sixth Principals' Association Meet Championship and finishing in fifth place in division four of the state meet.

The team also extended its dual meet record to 57-0 which means that M.H.S. has not suffered a dual meet loss in five years.

Team captains this year were Rick Donovan and Walter Maxim. They, along with the other members of the squad were responsible for transforming a rebuilding year into a championship one.

#1 RUNNER: MVP Rick Donovan

The Record:  
 M.H.S. vs Duxbury 24-31  
 M.H.S. vs Abington 15-50  
 M.H.S. vs E. Bridgewater 15-50  
 M.H.S. vs Cohasset 18-48  
 M.H.S. vs Norwell 16-48  
 M.H.S. vs Hull 21-45  
 M.H.S. vs Hanover 15-40.

The Fall Season was off to a running start with the Girls Cross-Country Team setting new records. The girls ran in nine meets and won eight of them.

With the expert running of Soph. Linda Heeks, two records were set, in the South Shore League Championship and the Principals' meet. She is also the MVP on her team. Beth Cousins is the Captain of the team.

Two freshman girls, Dale Garceau and Carol Clark, made the State Finals held in Gardner, Ma. This is a feather in the cap of their coach, Mr. Leo Libby and an impressive accomplishment for the girls. Freshmen do not always shine in their first year of running.

The rest of the Cross-Country Team which helped us obtain our successful season this year were, Claire Cadorette, Lanoka Wilson, Paula Carey, Nakoma Wilson, Lynda Einstein, Patricia Malefant, Anna Marie Gerrior who also did a fine job. This is an excellent example of team sportsmanship.

With the expert job done by Mr. Libby and his team, they should walk or should we say (run) away with the top awards next year.

A promising group of returning swimmers and the addition of some talented newcomers gave the team high hopes for the '78 season. The team was hit by injury and sickness to key swimmers, which lowered their hopes. In spite of these problems, the team record was the best in its history. Leading scorers were Nicole Genua: 155½; Penny Therrien: 119¼; Cassi Bigelow: 136½.

## Freshmen

The 1977-78 Boys Varsity Basketball team finished very strong this year to end up with a 15-7 record. What was more important to the Sachems however was qualifying for the state tourney after an absence of two years. The season started off slowly as the team tried to adjust with the blending of veterans and rookies, posting a 3-4 record for the season's start. At this point the team jelled and won 11 of the next 12 games. The team went on to beat Dover Sherborn, the tri valley champions (19-2) by a one sided 64 to 49 score. They went down to defeat against a very fine Rockland team, however.

Mark Norek and Paul "Butch" Callan were co-captains of this year's varsity five and both were selected to the all league team. Norek also made All Taunton, All Brockton, All New Bedford and 2nd team all state in the Boston Herald.

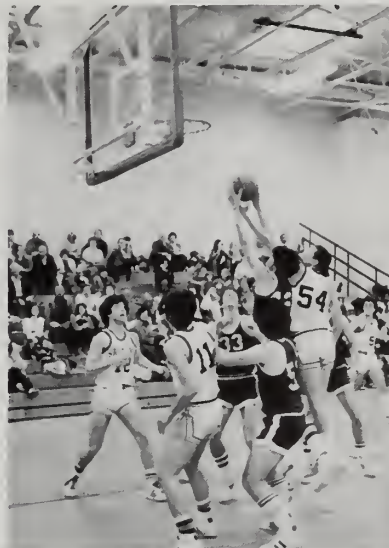

Thanks to Coach Littlefield and his team for an exciting season!

Season Record: Wins, 6 Losses, 12  
League Record: Wins, 6 Losses, 10

The Girls' Varsity Basketball Team ended their season with 6 wins and 9 losses. The team was not prosperous in victories but earned the respect of their league for their aggressiveness and sportsmanship throughout the season. Next years outlook proves exciting with only Tri-Captains Amy Brouillard, Robin MacDonald, and Penny Therrien leaving. Experience and desire will be the key next year. Good luck seniors.

Craddled-up!

The duck under!

"CROSS-FACE!"

"WIRED!"

This year's Wrestling team got off to a slow start but as the season progressed the team improved considerably. As a result, the team placed 3rd out of 8 schools. Bryan Bell took 1st place in the 107 lb weight class, Larry Shing and Mike Ekstrom placed 2nd in the 114 and 170 lb weight classes, and Dan Michaelis and Scott Ekstrom placed 3rd in the 157 and 187 lb weight classes.

In the Division II sectionals held in Norwell, the team placed 7th out of 19 schools. Placing third for the school were Bryan Bell and Tony Libby, Mike and Scott Ekstrom placed 4th in their weight classes qualifying them for the State tourney. Mike Ekstrom tied for fifth place in his weight class.

The Wrestling team is looking forward to a strong team next year, although the following members of the Class of '78 will be greatly missed: Mike Ekstrom, Frank Freeman, and Larry Shing.

Picture the pieces,  
And the puzzle is completed.  
Take what you've learned in your lifetime,  
And you'll have enough to walk on to the future.  
Leave all you've touched in the past behind  
And you'll have enough room to let Tomorrow bring you  
forward.  
It all makes the reason worth finding  
And the puzzle worth putting together.  
Just knowing that once it's completed,  
No one can take the picture of the

Puzzle's last piece in place away  
It will always be in the minds of those  
Who made the final masterpiece.  
So as we walk ahead we look for  
The Sunshine in others,  
Or if not there, we follow the Rays,  
Until we find the Answer;  
And walk on to the future,  
To join yet another puzzle that will be completed.

Marilyn Johnson

With interlocking pieces  
We join to form the whole;  
Each with our uniqueness,  
Each with our own goal.

One cannot be copied,  
A twin we'll never meet.  
This individuality  
Has made our class complete.

So point us toward tomorrow  
You've helped us reach today.  
Take apart the pieces  
And we'll be on our way.
